We dedicate this annual

to our teachers, who have

lighted the lamp of learning

and shown us the way . . .

G. O.

Administration

By inherent nature, man has always recognized the need to overcome the darkness of illiteracy by seeking the light of knowledge. This annual is respectfully dedicated to the teachers of Pulaski High School who, through their untiring effort and conscientious teaching, have "lighted the way" for all those with whom they have come in contact. The so-called Light of Learning cannot be to us a true light unless we shall find it reflected back upon us through the benefits our own learning has brought to others.

This graduating class will find life more pleasant and rewarding because of the "light" they have come to see.

When one is engaged in a pleasant and worthwhile task, the footsteps of Time hurry by. My sincere thanks to the faculty, departing seniors, other students, and all who through pleasant associations and fine cooperation have made my first year at Pulaski so seemingly short.

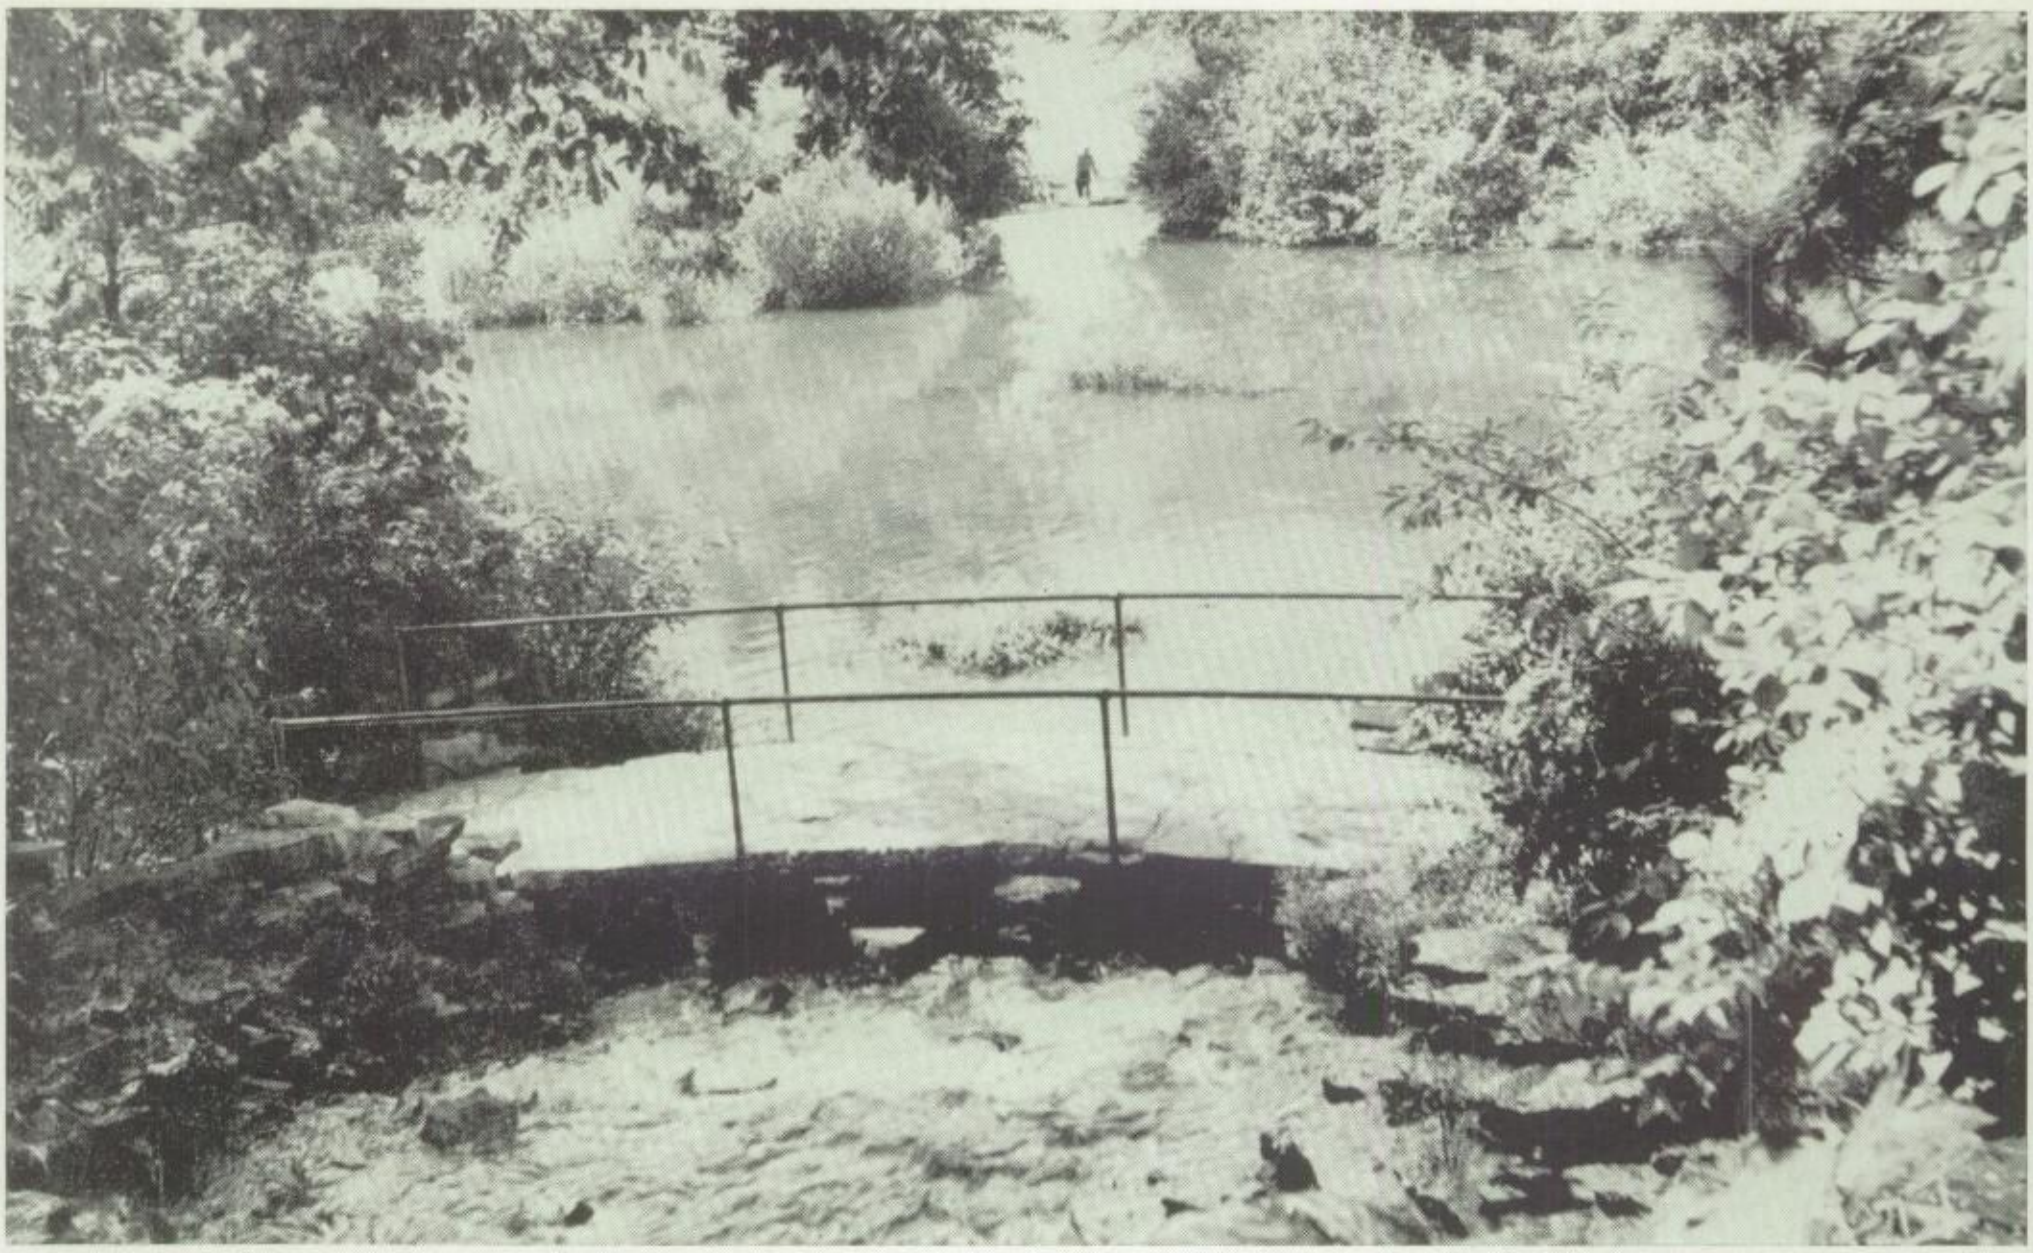
Clayton R. Francke
Principal

The spark of creativity is potentially present in all human beings. In our schools, one of our basic objectives is to uncover that spark and to feed it with fuels to set it flaming. To do this the schools would seek to preserve the natural resourcefulness of the individual. It would strive to stimulate the imagination. It would sponsor and foster that first successful step into the unknown which is creation.

Walter L. Brauer
Vice-Principal

"Thou blossoms bright with
autumn dews,
And colored with the heaven's
own hues."

"No mortal builder's most
rare device,
Could match this winter
palace of ice."



"Over the bloom and sweet life
of the spring,
Over the fresh earth and the
heaven of noon."

"No price is set on the
lavish summer,
June may be had by the
poorest comer."

Freshmen:

Remember how hard we looked for the swimming pool on the fourth floor? Or how we never dared to miss a noon hour program, no matter what it was? Do you remember, or do you still have the scars from the first time you went UP the DOWN stairs or DOWN the UP stairs? Or, how we walked down the halls in hopes of seeing one of our Championship football heroes. . .

Juniors:

Boys, are those freshies and sophomores small; are we smart and cocky. Went to the Junior Prom, (I never knew the birds sing so early in the morning), had a swell time at the Post Prom. How we remember never taking a book home at night, then trying to cram all our homework in on the morning homeroom period. Looking for our buddies between classes, then speeding through the halls to get to class on time. . .

Sophomores:

Those were the days when we nearly broke our necks trying to get a table near the football stars. Or, never missing a football or basketball game. The library and special help slips were being put to good use. We even ventured to ask for a pass every now and then. . .

Seniors:

There were times when we never saw our homeroom for weeks because of our activities and senior meetings. We also won our *3rd* football CITY CHAMPIONSHIP, to ride side by side with the '49 and '50 teams. We also found new ways of getting out of classes and even rode the elevator. That was the year we did everything we weren't supposed to without being caught. We also sponsored the *3rd* Annual Informal Senior Christmas Dance. But we shall never forget our happy times at Pulaski, and most of all the extra graduation tickets. . .

Freshmen:

Remember when we were freshmen, lost in a maze of halls, trying to find the cafeteria, swimming pool, or one of our classrooms? We wondered whether we could use the black bubblers without a pass. Could we use the elevator? We would always hurry to our classes, and then sit there a long time waiting for the tardy bell to ring. We did our homework every day, and attended sports events and noon hour programs regularly.

Juniors:

Remember our junior year and all of the fun we had as upperclassmen? Some of our friends made the first football team; now the games were a must. We all attended the event of the year, the Junior Prom, and didn't arrive home until early in the morning.

Sophomores:

Remember those first days of our sophomore year? Oh, how good it felt not to be a lowly freshman any more. Now we held our heads high as intelligent sophomores. We joined clubs and went out for sports. We felt that it was about time to start attending dances. We were beginning to forget to rush to our classes in the fear that we would be late. We eagerly looked forward to becoming upperclassmen.

Seniors:

Seniors, proud and self-confident, our minds were filled with a terrific number of club and senior activities that had to come before us this year. Then came honor day and finally preparation for our own graduation. At last commencement evening came, when we walked across the stage and received our diplomas. Now as we graduates look into the future before us, we think back into those four, happy, by-gone years and recall our high school experiences. We miss you Pulaski — our Alma Mater...

Varsity Football

Upsetting all previous predictions, and building up to a surprising climax, the 1953 Pulaski football squad finished the season tie with Washington for first place in the city conference, with seven wins and one loss.

Easily winning the opening game with Juneau, 19-0, the Ramblers met their only defeat of the season, in their second game, with South, 19-6.

After losing to South, the Ramblers came back to win three more games toward the championship by defeating Rufus King, 13-0; Lincoln, 27-13; and North, at the North Stadium, 24-12.

In the homecoming game played with our southside rivals, Bay View, who were rated over Pulaski by seven points, the Ramblers defeated the Redcats, 12-0. The two touchdowns were made by Bradley Splinter. The two tries for the extra points were blocked. Our victory over Bay View entitles us to keep the traditional Wooden Football. Because of a new practice instituted this year, the winning team now receives the trophy.

Pulaski kept alive its slim hopes for winning the city championship by scoring a fourth quarter touchdown to beat West, 7-0. Leading up to the score, George Cwiklowski p a s s e d to Thomas Walecki giving the Ramblers a first down on the West 17 yard l i n e. Cwiklowski and Bradley Splinter powered the ball to the 6 yard line, but a penalty set the Ramblers back to the 20. George Cwiklowski passed to Richard Knuth for the touchdown. Richard Steuber place kicked the extra point.

Row 3: W. Bialk, G. Wozadylo, T. Wysocki, A. Borzykowski, C. Malinsky, J. Blochowiak, R. Smul, R. Mathis, Asst. Coach Henderson, Asst. Coach Pauly. *Row 2:* R. Czerwinski, R. Otto, G. Barr, V. Konicke, B. Bialk, J. Moldenhauer, D. Bosco, J. Moldenhauer, R. Kowalski, J. Klaerig. *Row 1:* R. Stavens, R. Erickson, R. Nelson, G. Cwiklowski, J. Hintz, J. Andraszczak, A. Dyzelski, R. Steuber, R. Seeger.

Varsity Football

A record crowd for the season, 7,300, witnessed the breaking of a three way tie for the city championship, when the Ramblers upset the favored Tech team, 7-6. The score at the end of the second quarter was 0-0. After the half a Pulaski team filled with renewed power came onto the field; and in the first few minutes of the third quarter, Cwiklowski plunged over the line for the touchdown.

Richard Steuber kicked the all-important extra point. Very shortly after, the Tech team scored a touchdown. Tech had two chances to convert the extra point, because of a Pulaski off side on the first attempt. The first kick was wide and the second short.

Three of our players have been honored by being chosen on the all city second string team. They are Charles Bosanko, Thomas Walecki, and Peter Jusczak.

Pulaski will receive the traveling trophy for winning the city championship three times; 1949—undisputed title, 1950—co-champions with East, and 1953—co-champions with Washington. We hope the Ramblers have many good football teams in the future, and lead the city in sportsmanship as well as in football.

Frosh-Soph Football

The Pulaski Frosh-Soph football team, under the direction of Coach George Henderson, finished the season with a record of three wins and two losses.

In the first game of the season Lincoln edged out the Junior Ramblers, 12-6. In the second game, Tech trounced the Frosh-Soph, 28-6.

Behind a hard charging line, the team avenged the two losses by smashing South's Frosh-Soph, 18-0. One of the key men was Robert Fix, who scored Pulaski's three touchdowns. The Junior Ramblers also trampled Juneau, 26-0, and Bay View, 13-0.

Those on the team who were outstanding were: halfback, Marvin Clements; fullback, Robert Fix; center, David Basco; and end, Richard Splinter.

Row 4: D. Mikorski, K. Schmidt, R. Allen, K. Barcz, W. Snarski. *Row 3:* Coach Mehail, E. Galineau, E. Schmidt, D. Walton, M. Keeker, W. Ellner, A. Kopplin, Coach Stern. *Row 2:* M. Allison, B. Lyon, M. Glavan, R. Serno, M. Frankowski, K. Kroll.

Water Ballet

The Water Ballet is a group of thirty-five girls and six boys who are interested in synchronized swimming. They meet on Tuesdays and Thursdays under the direction of Mrs. La Verne Dougherty. The officers of this year's club are: Carolyn Semrau, President; and Gloria Dziedzic, Secretary-Treasurer. The members of the Water Ballet spent much time and effort in preparing for this year's show which was given on February 19 and 20. The club also swam on February 21, for the National Convention of Principals. The theme of the program was "Symphony and Jazz."

Row 2: Coach Kezele, D. Laschen, P. Czajkowski, T. Stock, R. Anderson, J. Albert, T. Laschen, R. Radtke, K. Jarecki, R. Ciepluch, T. Hauke. *Row 1:* R. Witalis, R. Waite, T. Trczinko, R. Over, D. Weber, M. Sande, D. Clark, R. Grabowski, M. Price, J. Napral.

Cross Country

With the loss of seven major letter winners through graduation, Coach Kezele endeavored to build a championship team of last year's undefeated freshmen-sophomore squad.

Of the five conference meets held this season, the Ramblers won one, defeating West Allis Central, 41-19. The squad took fourth place in the South Sectional Championship, and second in two triangular events.

The boys who were outstanding on this year's team were: Jerry Albert, Alan Anderson, Thomas Hauke, Darrell Laschen, Terry Laschen, James Napral, Robert Over, John Qualey, Milton Sande, and Ronald Witalis. They all received minor letters.

Row 2: Coach Pauly, T. Chaney, R. Czerwinski, R. Mathis, P. Juszczak, J. Neuenfeldt, C. Malinsky. Row 1: J. Albert, D. Laschen, J. De Young, J. Barant, M. Olien, R. Polachowski.

Wrestling

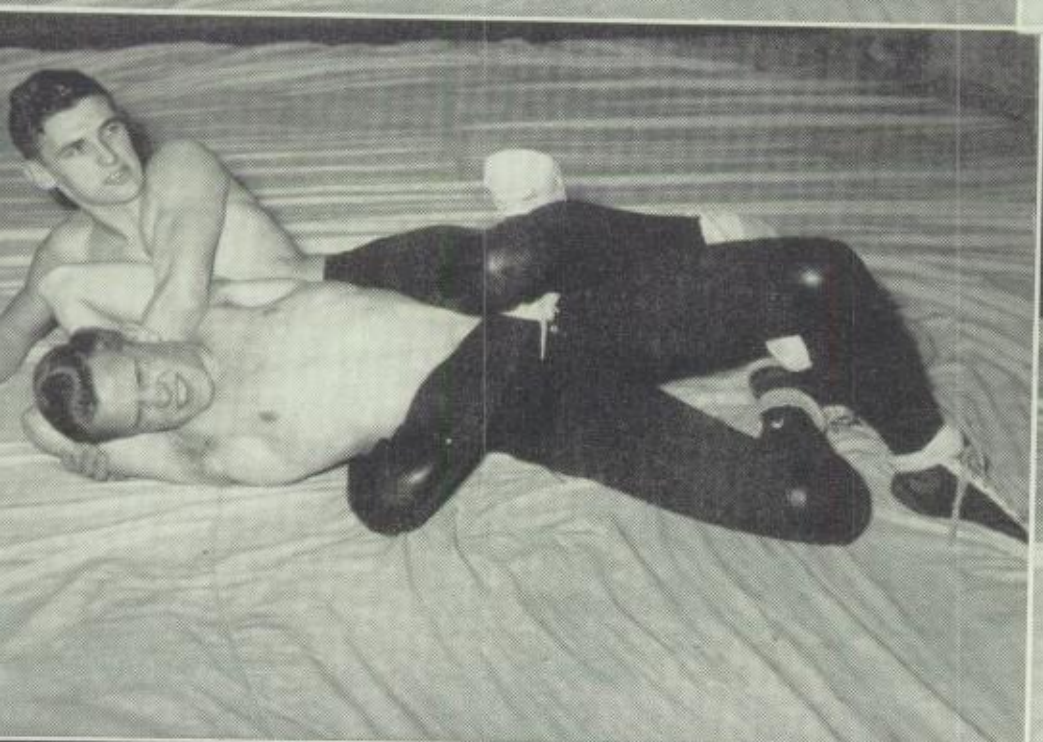
With the return of last year's major letter winners Paul Juszczak, John Neuenfeldt, and Chuck Malinsky, and minor winners Dick Mathis and Jerry Albert, the Pulaski matmen had a very successful season by winning three of their six dual meets.

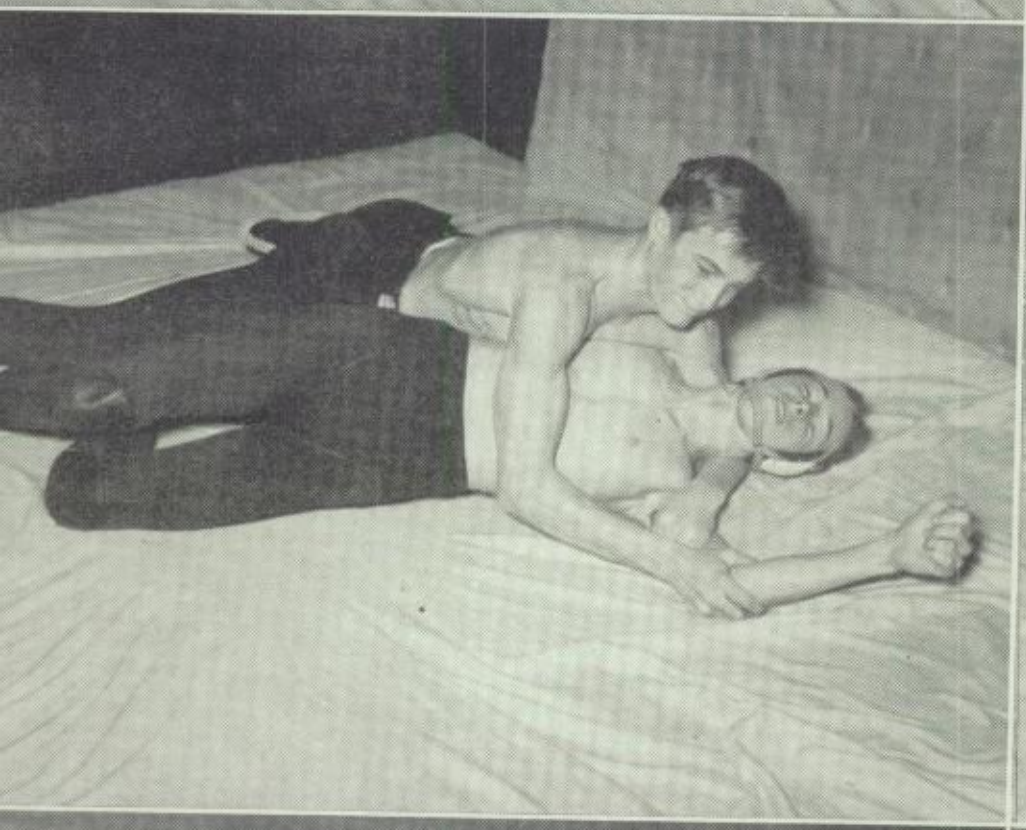
In the city conference Coach Anthony Pauly's wrestlers defeated Boys' Tech, 23-16 and Juneau and East, 34-10. The team lost its first conference meet to South Division. Paul Juszczak pinned his man, and Chuck Malinsky out-pointed his opponent for the only Rambler victories. Our team also was beaten by Washington and Rufus King.

In the non-conference record, the Ramblers subdued Racine Horlick and Racine Washington Park. The team lost the second meet with Racine Horlick, and were twice overpowered by West Milwaukee.

Captain Paul Juszczak, state champion in the 182 pound division last year, finished the season undefeated.

Row 2: Mgr. K. Simatic, T. Silver, W. Bialk, G. Wojtanowski, M. Keeker, E. Planteric, Coach Mehail. Row 1: D. Haymann, R. Ciepluch, D. Pagenkopf, R. Krychowiak, P. Czajkowski, H. Riley, M. Clement.





Row 2: W. Steiner, G. Wanek, D. Kroll, T. Le Claire, R. Over, T. Lashen, R. Smul, G. Cwiklowski, A. Dyszelski, R. Mlynczak, T. Walloch, Coach Gradecki. *Row 1:* A. Pliszka, C. Helwig, R. Galecki, J. Radtke, J. Metz, W. Poulter, J. Andraszczyk, J. Hintz.

Varsity Basketball

This season Mr. Norman Gradecki took over the coaching duties of Mr. Kenneth Steffen. With several varsity players returning, the outlook seemed promising, but injuries and other problems cropped up, and the team won only three conference games.

The Ramblers played good games, but failed to win any of the non-conference tilts. The Ramblers fell to Notre Dame, 48-39; the Waukesha team, Suburban Champions, trounced our cagers, 84-40; St. Catherine's of Racine was also victorious. Though winning at the half, the Ramblers lost a heart-breaker to West Allis Central. A last minute free throw gave Central a 51-50 victory over Pulaski.

The Ramblers jumped off to a half time lead, but South came back in the second half and defeated our Ramblers, 76-63. South breezed through the remainder of their schedule to become city champions for the second consecutive year.

Regaining their winning ways, the Pulaski cagers defeated Juneau, 67-66; and Bay View, 57-48. In those two games the Rambler talent was obvious.

On February 19 the Pulaski cagers gained their third city conference victory by defeating Rufus King, 85-58. Sophomores Robert Over and George Cwiklowski led the attack, scoring 35 and 22 points respectively. The Rambler's 85 points set a school scoring record.

Pulaski lost a close game to North Division, 64-58. The Ramblers had jumped to a 30-26 halftime lead, but were outscored in the final periods. George Cwiklowski and Jerome Andraszczak scored 18 and 14 points respectively for the Ramblers.

East Division also trounced the Ramblers, 72-55. After leading 30-24 at the end of the half, Pulaski slipped in the third quarter, scoring only eight points to the Tigers twenty. Center James Metz played his best game of the season scoring 21 points.

The high scorer in individual points is Ed Markunas, a mid-year graduate. He was followed closely by George Cwiklowski, James Radtke, and Jerome Andraszczak.

The cagers lost two other members after mid-year graduation who contributed a great deal. They were Ronald Ramlow and Robert Walloch.

The regular players for the season were: George Cwiklowski, Ed Markunas, Jerome Andraszczak, Terry Laschen, James Metz, James Radtke, and Robert Over.

Frosh-Soph Basketball

The Pulaski Frosh-Soph basketball squad showed their skill by finishing with an undefeated season and winning the city championship. The overall record for the season was 13 wins and no losses.

Coach Thurner's boys started their fine season with a 36-33 victory over Washington. The other victories were South, 44-40; West, 46-39; Lincoln, 29-26; Juneau, 61-47; Tech, 49-33; Bay View, 38-34; East, 54-39; North, 54-33; King, 58-52; and Custer, 59-52. In non-conference games the junior Ramblers glided to an easy 43-26 victory over St. Catherine's. They also defeated West Allis Central, 49-47.

Jacobsen, C. Filipowicz, R. Coyle, A. Miller, R. Maciolek, R. Burmeister, T. Classey, J. Hansen, R. Parisey, J. Baumann, T. Rose, R. Kuszewski. *Row 1:* J. Crowell, D. Yonck, T. Grasch, J. Muehl, G. Magerl, K. Jarecki, I. Boberski, D. Mikorski, J. Bartelak, M. Stegmayer, R. Rodenkirk, G. Bay, T. George.

Swimming

Coach Wielgosz's mermen started the season off strong by beating Boys' Tech and Wauwatosa. This latter victory marked the first time that Pulaski has beaten 'Tosa since the beginning of their rivalry. The Ramblers also defeated South, Shorewood, 50 to 33, and Bay View, while losing close meets to Kenosha, Waukesha, and Whitefish Bay.

In the City High School Swimming Meet a well balanced Tech team nipped the Ramblers, 58 to 51½. This was the first time Pulaski has lost this meet since 1944. Bill Hoeft took two firsts in the 50 yard free style and 75 yard individual medley. Tom Duer took first place in the diving competition.

The Pulaski swimmers lost a close meet to Boys' Tech in the Annual City Relays, 60 to 68. It was the Ramblers' first loss in the four years of this event. Tech took first place, but the mermen broke records in the 600 yard free style and the 400 yard backstroke relays. Swimming in the 600 yard event were Rose, Peterson, and Duer. Rose also swam in the 400 yard back stroke along with Steuber Grabowski, and Hoeft. Other firsts taken were the 200 yard relay with Jarecki, Kuszewski, Snedigar, and Inman; the 300 yard breast stroke by Baumann, Kozak, and Bay; and the 150 yard medley relay by Grabowski, Baumann, and Snedigar.

Captain Bob Snedigar's Yale squad won a thrilling meet from Jack Weber's Harvard team, 43-38. The deciding event was the 200 yard relay which was the last of the meet. The score was tied 35-35 before, and Yale took the event to win the meet.

The frosh-soph team finished undefeated, with four victories and a tie. These splashers show evidence of a championship team in the future.

Track

With nine major and four minor letter winners returning, Coach Harold Jankowski and assistant coaches Dominick Calabresa and Gerald Stern are looking forward to having a very successful track team in 1954.

Those back from last year's undefeated squad who should score for the Ramblers are: Richard Knuth, Terry Laschen, Carl Cornehls, Richard Julian, Peter Juszczak, Paul Juszczak, Richard Mathis, William Kumprey, and Tom Wallock.

In the inter-class meet held at our school to determine prospects for the team, the Sophomores defeated the Freshmen, 57⅔ to 23⅓, and the Seniors overcame the Juniors, 55 to 26.

Richard Knuth and Richard Julian will be co-captains of this year's team, taking the place of John Wiesto and Robert Snedigar.

FOOTBALL HEROES

Turn to page 160 for identification.

English Department

The English Department has a twofold purpose: to teach students the language skills of effective writing and speaking and to stimulate cultural appreciation and human understanding by the study of literature. Students can therefore develop into well-rounded individuals with an appreciation of beauty and culture and a sense of their social and moral obligations.

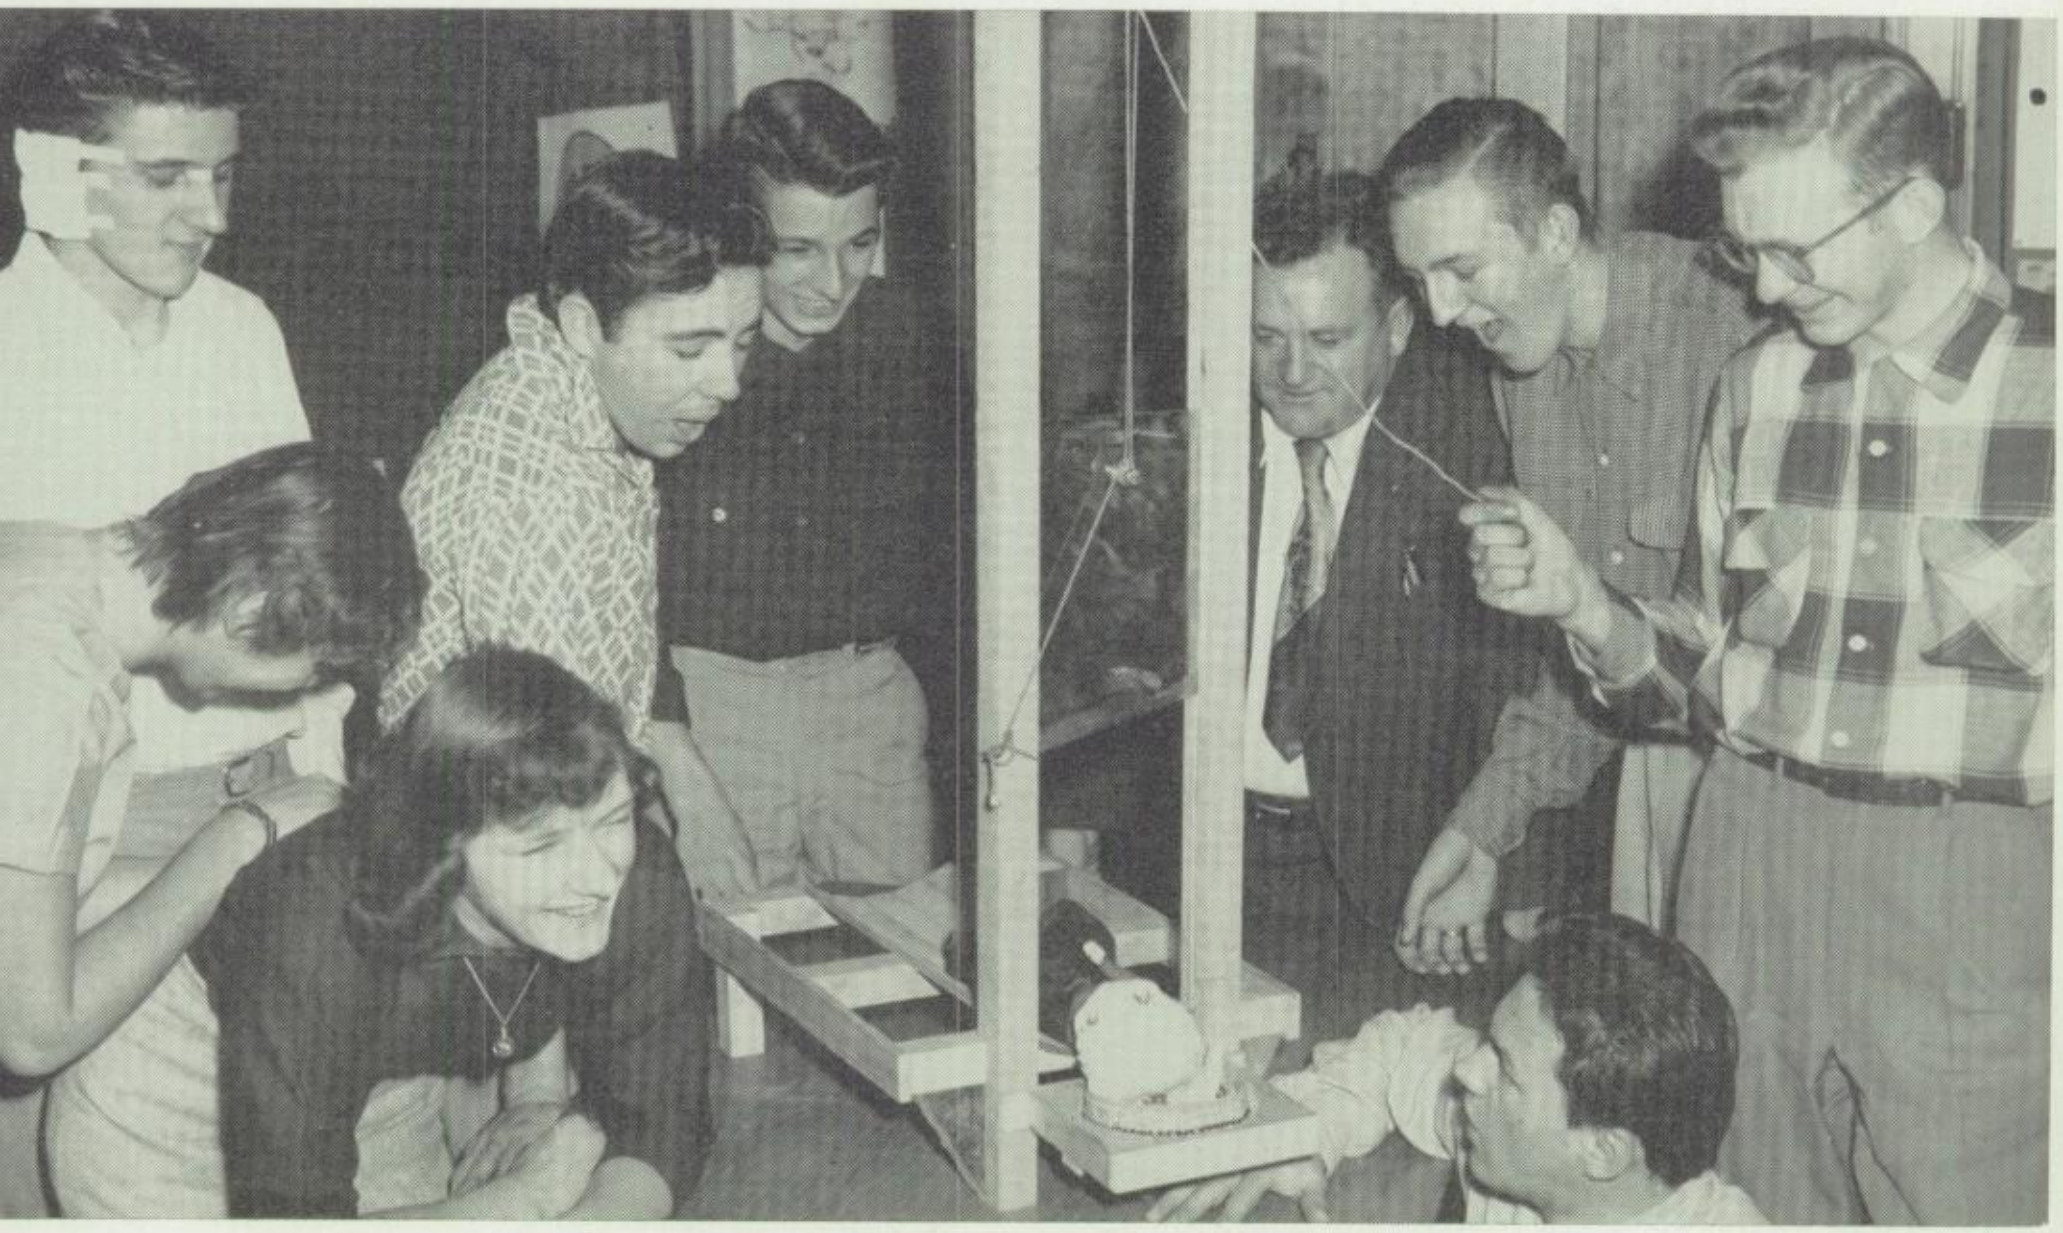
Being able to speak well is a necessity in order to compete successfully with our complex world of today. Our speech course offers us the fundamentals of conversation, public speaking, discussion, radio, and dramatics. The course may be taken in the junior year with English, or in the senior year after successfully completing six semesters of English.

Speech Department

Science Department

The Science Department helps pupils understand, appreciate, and adjust themselves to the environment in which they live. It is well equipped to incite in its students an interest in some of the scientific possibilities which stem from the development of atomic energy so that they will be able to play a useful part in the advancement of society.

The subject of the Social Science Department is of interest to all students, since the course deals with the meaning, ideals, and purpose of freedom and democracy. The lessons of the history subjects give us a better understanding of the problems other people face, and should give a better understanding of our country. Other subjects deal with the community and home, to help us understand the problems that face them.

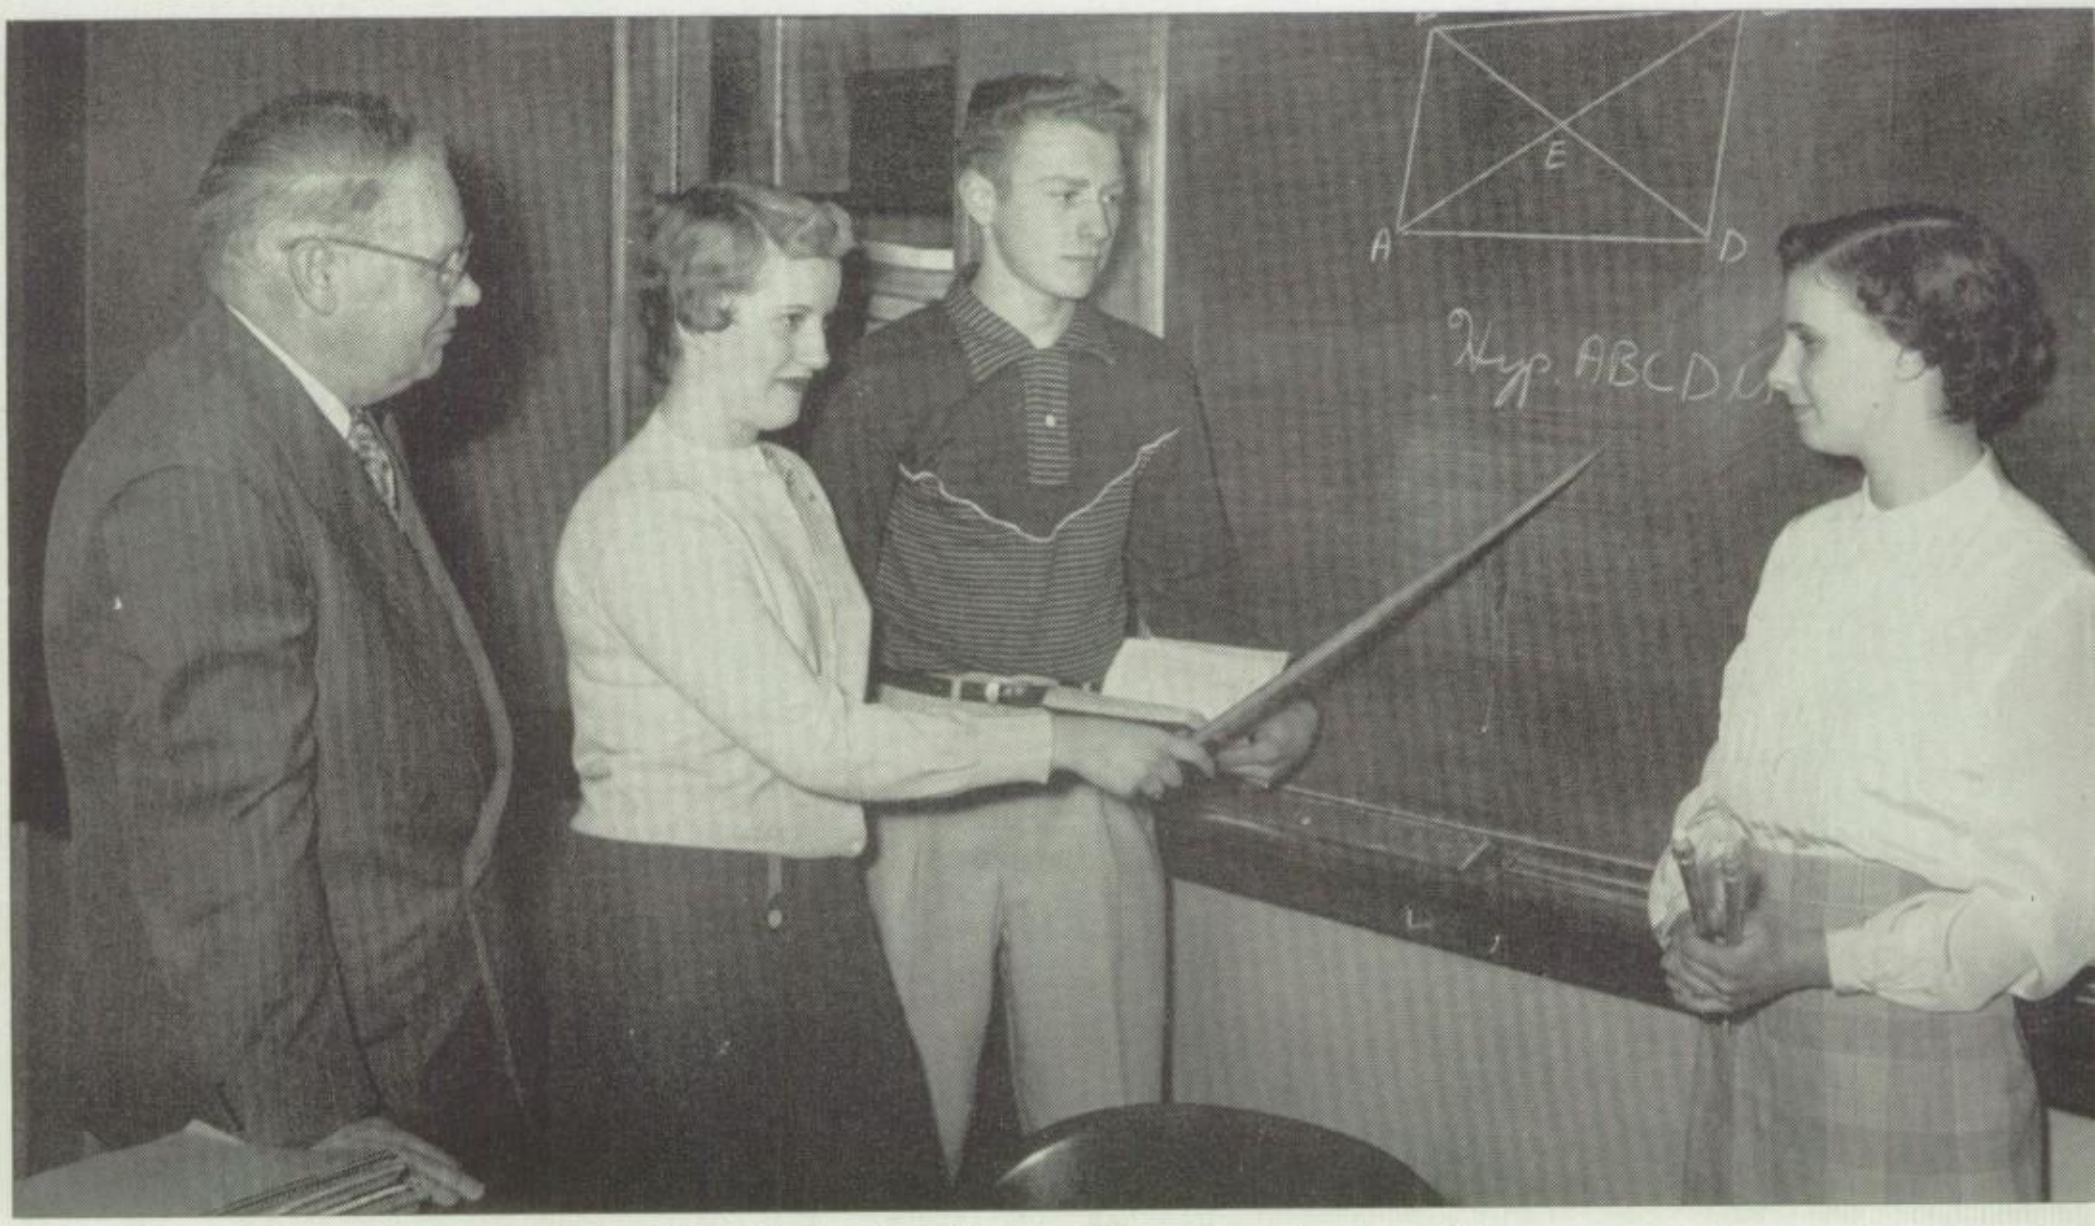


Social Science Department

Commercial Department

The Commercial Department is the nucleus around which all business education is centered. Its purpose is to supply the students with a knowledge of the development of the commercial world, and to provide them with the proper skills they will need after graduation. Commercial students are rewarded by acquiring an excellent background and foundation to become competent business men and women.

Whether for college, industry, or for every day living, mathematics helps to equip us for the future. Mathematics is a part of almost every thing in our lives, especially the production of all our modern conveniences. Pulaski students are being trained for the future in which they will help provide even more modern items than now exist with their mathematics and mathematical knowledge.



Mathematics Department

Foreign Language Department

At Pulaski, a student has the choice of pursuing for two, three, or four years, the study of any of the five foreign languages; French, German, Polish, Spanish, or Latin. This wide choice assures him of one phase of proper equipment in the pursuit of his future field of study or life's work. The modern foreign language classes emphasize the speaking ability and the direct everyday use of the language in the first two years, and the study of the literature and fine arts in the last two years.

The Home Economics Department offers a variety of courses to students interested in learning how to manage and maintain happy homes. Clothing, foods, cafeteria management, and family living can be taken by students from 9B to 12A. These classes are designed to produce the homemakers of tomorrow.

Home Economics Department

Art Department

The Art Department is both necessary and essential because it provides a great appreciation of all the things we enjoy that we take for granted. It helps the art students to select certain fields of art that will help them after graduation. The department also provides for the opportunities to draw for the benefit of others in their spare time. The Art Department can always be counted on to make a good showing at various contests and exhibitions. The students also provide posters at various times, to advertise a coming event. These help to make our halls colorful and attractive.

The Industrial Arts Department teaches a young man things that will be valuable to him in his lifetime. The six different classes in the department are: Wood, Mechanical Drawing, Radio, Metal, Automotives, and Driver's Education. While completing wood, metal, or mechanical drawing classes, the boys learn the skill of handling tools, materials, and machines, plus the characteristics, classifications, and kinds of wood.

Industrial Art Department

Physical Education Department

Pulaski is prominent in city athletic competition, but believes in a school program whereby all may join in sports. Our physical education program gives both boys and girls a chance to display their athletic ability in class competition. A health education class for girls is also a part of this well organized department. We have football, swimming, tennis, and golf in city competition. We provide intramural competition in basketball, volleyball, tagball, table tennis, soft ball, and wrestling.

The Junior High Department is located in the third floor of Pulaski. The students take part in the regular high school program plus attending classes in art, music, and sewing or industrial arts. They participate in eighth hour activities as do high school students, to gain knowledge and have recreation in some of Pulaski's many clubs. They formed class clubs, elected officers, and carry on business. Several homerooms also publish their own newspapers.

Hope I'll see you
during the summer and
have fun with your girl friend - Nancy

ACTIVITIES

OFF THE RECORD

Student Service Council

The many accomplishments of the Student Service Council have contributed greatly in making Pulaski the finest school in the city. Under the direction of Miss Ruth Manion, the council established noon hour programs on a large scale which proved to be a great success. They also sponsored pep rallies, and other social events and dances. The council's other events throughout the year consisted of preparing Thanksgiving baskets and clothing for the poor people in this country and abroad.

Mr. Niefer and Musicians

Girls' Glee Club

The Girls' Glee Club consisting of 180 members, is under the direction of Mr. Melvin Hillier. The girls are divided into two groups, the sixth hour class and the seventh hour class. The Girls' Glee Club sings for several musical programs throughout the year. Their main performance is the Spring Concert. This year the girls sang, "I Would Weave A Song For You", "Sweet Georgia Brown", and "Invocation Of Orpheus", which is taken from the first opera ever written. The girls in their beautiful formals gave an excellent display of talent. The accompanist for the Spring Concert this year was Patricia Colby. The Girls' Glee Club also participates in the Christmas Program.

Mixed Chorus

This year the Mixed Chorus consists of sixty girls and boys. The Mixed Chorus, which is directed by Mr. Niefer, takes part every year in the Christmas program. This choral group is a stepping stone to the A Cappella Choir.

Row 4: R. Hinrichs, D. Staben, J. Radtke, P. Shenar, J. Moldenhauer, J. Petrie, G. Piskula, R. Zeniecki. *Row 3:* C. Kaczmarek, D. Young, C. Janke, J. Stasiak, M. Springborn, C. Niemi, M. A Cappella Choir

If you are anywhere near room 101 the third hour any morning, you are sure to hear the A Cappella Choir practicing. It is under the able direction of Mr. Niefer and consists of eighty voices this year. The choir is the goal of every aspiring young singer at Pulaski. During the year it is invited to sing at many different gatherings outside of school. Its talents are also displayed at the Christmas program, Spring Concert and in the various other activities it participates in at our school.

Row 4: R. Murphy, G. Pries, F. Eisensopf, C. Malinsky, W. Kumprey, P. Bergland. *Row 3:* S. Lyon, V. Prindle, R. Gennrich, R. Teschendorf, W. Long, M. Sande. *Row 2:* J. Gregesich, J. Cramer, P. Newspaper

Sandra Tabbert

Pulaski's student publication, the Cavalier, is the product of many long hours of work. It is a member of the Quill and Scroll Society, and is a winner of the Gallup Award, the highest newspaper rating obtainable. Many students profit by the preparation of the paper. The quality of leadership and a feeling of responsibility are gained by staff members. The Cavalier Staff members are kept busy gathering news, obtaining ads, making up pages, headline writing, and proofreading. Frequent trips to the printer and engraver also occupy much time. Each issue of the Cavalier is planned to be of interest and enjoyment to all Pulaskians.

Quill and Scroll

Quill and Scroll is the international honor society for high school journalists. It has chapters located in nearly every state of the Union, in Hawaii, Alaska, Canada, New Zealand, and China. Because there is a limited membership, certain standards must be set. The student must be a senior, he or she must be in the upper third of their class, must have done superior work in some field of journalism, must be recommended by the supervisor governing publication, and must be approved by the executive secretary. Mr. Ralph Graves and Mr. Edmund Olszyk are the faculty advisors.

Senior Life Saving

The Senior Life Saving Club, sponsored by Mrs. La Verne Dougherty, teaches girls the fundamentals of life saving and emergency rescues, moving wounded, and how to apply artificial respiration. For anyone who plans to go into any phase of athletics after graduation, this experience is invaluable.

Miss Marian Ericksen

Miss Elizabeth Kagel

Miss Sylvia Budziszewski

Office Staff

A cheerful and efficient office staff is essential to a well run school. Pulaski is very fortunate to have such a fine staff to handle the absence, tardiness, programs, work permits, and many other forms which must be taken care of in a school year. The office force consists of Miss Ericksen, Miss Kagel, Mrs. Pinkalla, Miss Zimmerman, and Miss Sylvia Budziszewski, who handles the attendance.

Row 5: C. Skornia, R. Schweizer, M. Hanlon, G. Grafenauer, B. Wentkowski, G. Borzymowski, B. Hertel, E. Kucharski, J. Kielczynski. *Row 4:* M. Mulhollon, D. Dettlaff, C. Dombrowski, E. Meyers, K. Pugens, S. Hampel, B. Brandt, P. Loewus, M. Piotrowski. *Row 1:* J. Miller, N. Semrow, J. Wahl, M. Hammerschmidt, A. Brunner, W. Zych, B. Dzierski.

Attendance and Office Monitors

Mrs. Carol Pinkalla

Miss Karen Zimmerman

Library

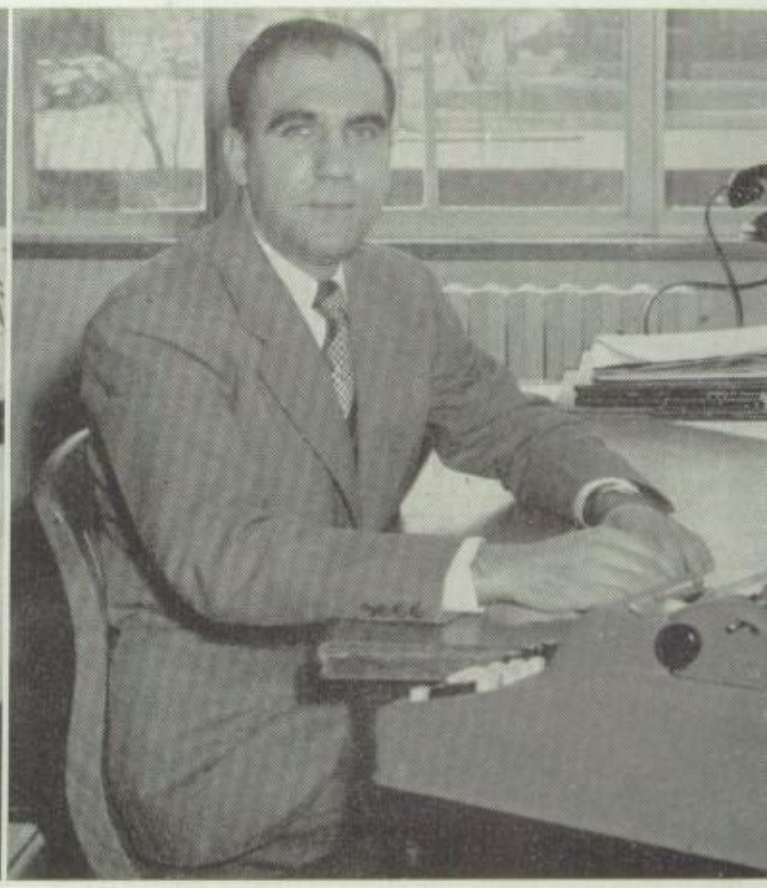
The success and efficiency of Pulaski's fine library is due to the competent supervision of Miss Harriet Windau and the efforts of her capable library monitor staff. In addition to the countless number of excellent reference books, one may listen to records or read from a variety of well known magazines. Students may come into the library during their free period. The up-to-date billboard displays are also a credit to our fine library.

Miss E. Harriet Windau

Library and Welfare Monitors

Administration

W. F. Tiernan, Senior Counseler



L. Stekiel, School Accountant

Stage and Projection Crews

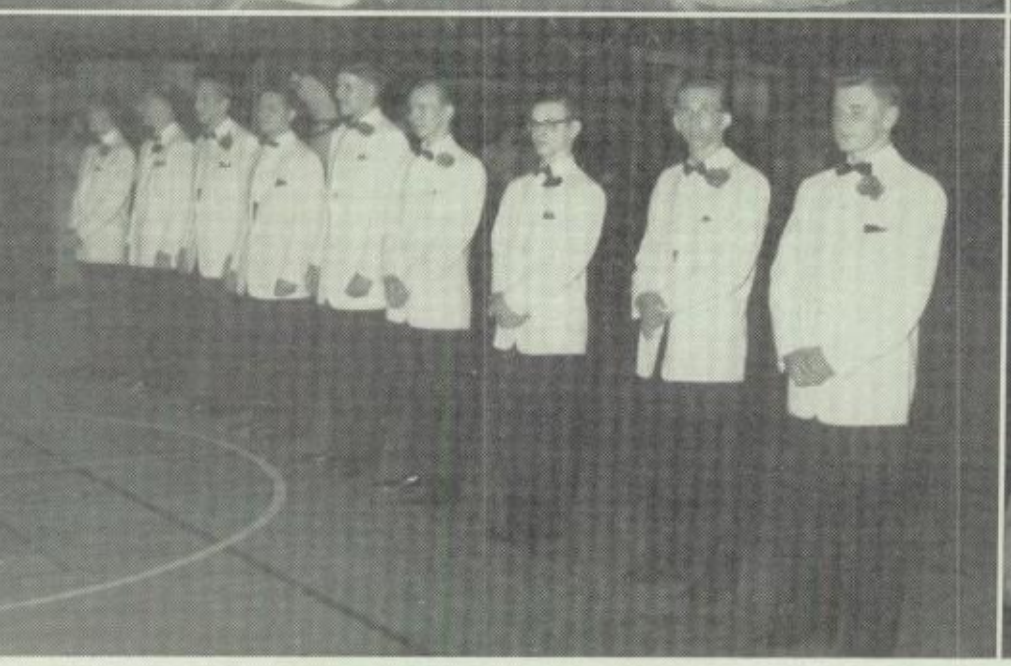
Girls' Club Planning Committee

Cafeteria

During the fourth and fifth hours, the Cafeteria gives a student the opportunity to purchase a hot lunch at a reasonable price under the government subsidized program. The students may bring their lunch from home and buy milk very reasonably also. After a length of time, if the student wishes, he may attend a movie in the auditorium, go outside, or he may stay in the cafeteria and do any homework which he may have or he may just visit with friends.

Mrs. Brandt

Junior Prom



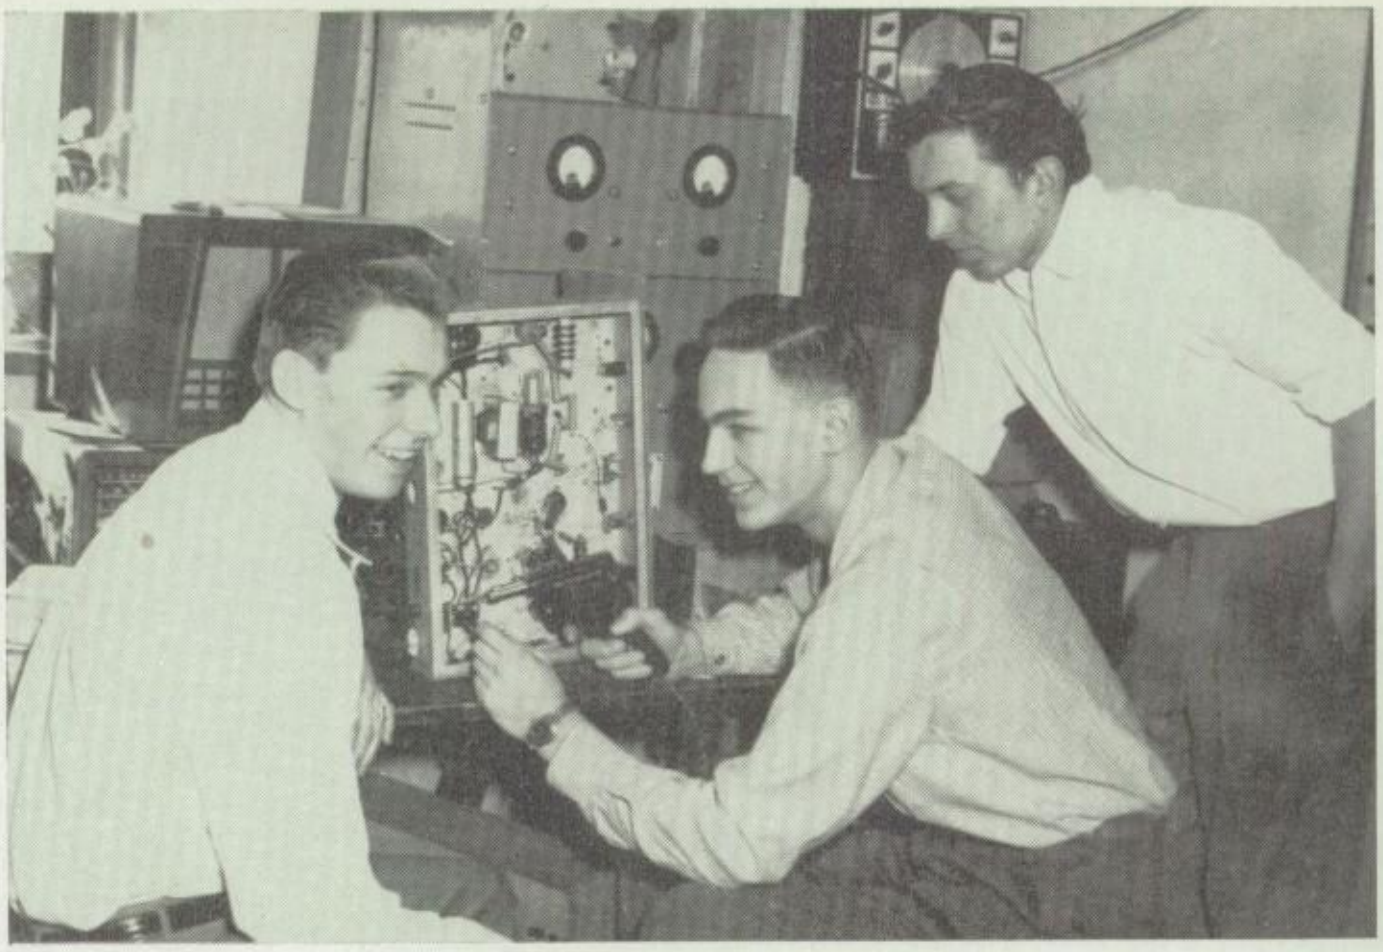
Regal splendor was displayed at the "Coronation," our Junior Prom of 1953. The theme song was "Unforgettable," and all will agree that the entire evening proved to be just that. With King Jim Radtke and Queen Sondra Lyon reigning over the largest court of honor in Pulaski's history, the prom was really a spectacular and beautiful event. The members of the court were Alan Anderson, Genevieve Gjerdset; Gilbert Chiesa, Marie Bruss; Larry Hundley, Marilyn Glavan; Duane Kaye, Patricia Fintak; Curtis Knoll, Marlene Frankowski; Richard Mlynczak, Patricia Gruenwald; Thor Petersen, Ruth Peterson; Paul Shenar, Carol Kallman; Richard Parissey, Donna Young. The members of the planning committee were also on the court. These twenty couples participated in the grand march, walking around the gym and finally forming a pathway down which the king and queen proceeded making the coronation complete.

The Layton Park Lions Club again sponsored our post-prom party. The food, music, and entertainment were terrific and we all enjoyed ourselves thoroughly. It all added up to the most "Unforgettable" evening of the year.

RADIO COMMUNICATION

Mr. Winkler

The Radio Communications Club is made up of boys who have their "Ham Ticket." They report every Monday the eighth hour to Room 410, where our transmitters and receivers are located. The boys spend their time in making radio contacts after which they make an exchange of QSL cards. Our station here at Pulaski High is W9UCl issued to the radio instructor, Mr. Winkler.



COMMERCIAL SERVICE

Miss Lindsay

The Commercial Service Club under the direction and guidance of Miss Delia Lindsay provides its members with an excellent background in the technical skills so important to anyone who plans on entering the business world today. This group, which meets during the eighth hour every Monday, is open to all ambitious juniors and seniors who are anxious to become competent business men and women after graduation. The members of the club cut stencils, operate mimeograph machines, and improve their skill in typing.

HOME NURSING

Mrs. Hancock

The Home Nursing course required for all senior girls is taught in the health classes by Mrs. Viola Hancock with assistance from Red Cross registered nurses. The main object of the course is to have students learn how to care for the sick by actual demonstrations and performances. The girls learn how to recognize signs of illness, how to prepare healthful diets, and how to give effective and safe care in following doctors' orders, while caring for the sick.

TENNIS

Mrs. Schubert

The Tennis Club teaches the fundamental strokes of the game and how to adapt these strokes to a tennis situation. Fall tournaments are conducted every year for players to match their skills. The 1953 singles tournament was won by Carol Zaharias.

LIFE SAVING

Mr. Wielgosz

The Lifesaving Club meets on Tuesdays the eighth hour, under the direction of Mr. Wielgosz. These boys must be able to swim at least 200 yards and be able to do the four main strokes: breast stroke, side stroke, elementary back, and crawl stroke. They study and practice the various breaks, approaches, and carries used in the rescue of a drowning victim. These boys are also taught methods of keeping themselves afloat in case of an emergency.

FASHION DESIGN

Miss Lassen

The Fashion Design helps to create new fashion designers of the future. It also inspires students to try out in the field of fashion or art. The club's purpose is not only to study dress design, but to inspire such traits, characters, and manners that are typical of Pulaski. Miss Ruth Lassen is the faculty advisor of the group. She helps the students to concentrate on modern and old fashions. They also have discussions on up-to-the-minute fashions.

BOOKSTORE

Mr. Jankowski

The bookstore, operated by Mr. Jankowski, provides opportunities for experiences in clerking, counting cash, and manipulating a cash register. The bookstore monitors must be extremely honest, pleasant, willing to meet people, have pleasing personalities and good grades. Bargain sales which supply needed items take place with the idea of giving students more for their money than can be gotten in other stores.

JR. HIGH BAND

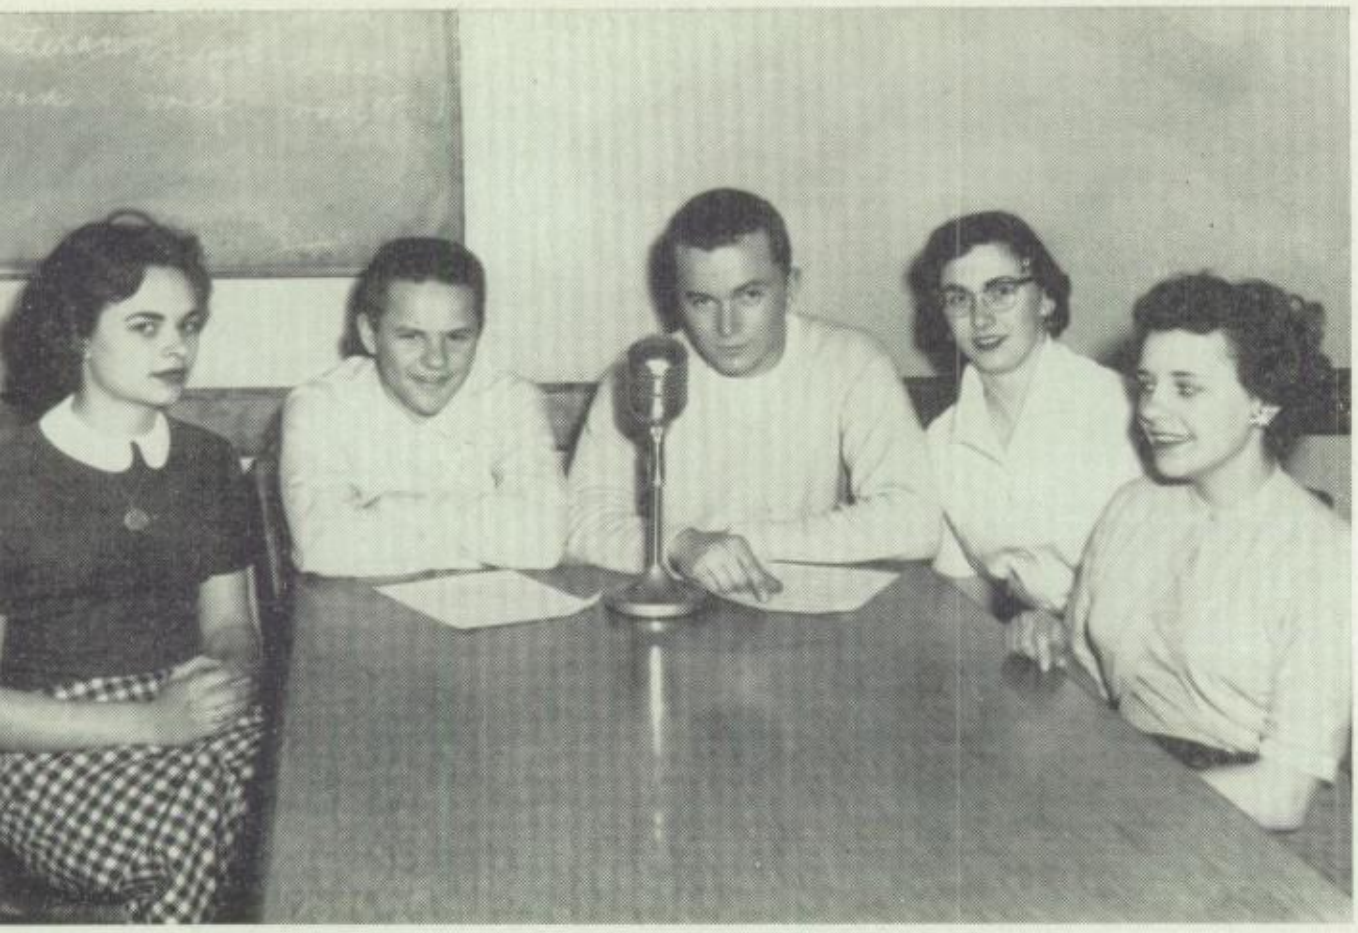
Mr. Hillier

The Junior High School Band is an organization in which young people who are just beginning on musical instruments or who are not advanced enough to enter Senior Band, are taught the fundamentals of music under the direction of Mr. Melvin Hillier. They meet the eighth period every Wednesday. This group gives any person with musical talent the opportunity to become a fine musician.

ARCHERY

Mr. Wielgosz

The Archery Club, under the direction of Mr. Wielgosz, meets once a week during the eighth hour. Its membership is open to both boys and girls. Targets are set up behind our school when weather permits, or in the bicycle room during winter months. The fundamentals of archery are taught to the beginners while others with experience work to perfect their techniques.



P. A. CREW

Miss Manion

Just like the sun, these cheerful people brighten Pulaski's day when they interrupt the silence of homeroom period to bring us the morning announcements over the Public Address System. These students are chosen each year by the Student Service Council under the guidance of Miss Ruth Manion. They are judged on the basis of voice quality and speaking ability. From the many who try out for announcers, only ten are chosen. An eleventh, substitute member is also selected.

SR. PLANNING COMMITTEE

Mr. Tiernan

The Senior Planning Committee, supervised by Mr. William Tiernan, consists of one elected member from each senior homeroom. The committee's usefulness has been proved by carrying back current senior information to their homerooms. They also assist with the various tests that seniors are required to take and help in the planning of college and vocational day programs. Their aid is very helpful in organizing many of the senior activities.

STAMP CLUB

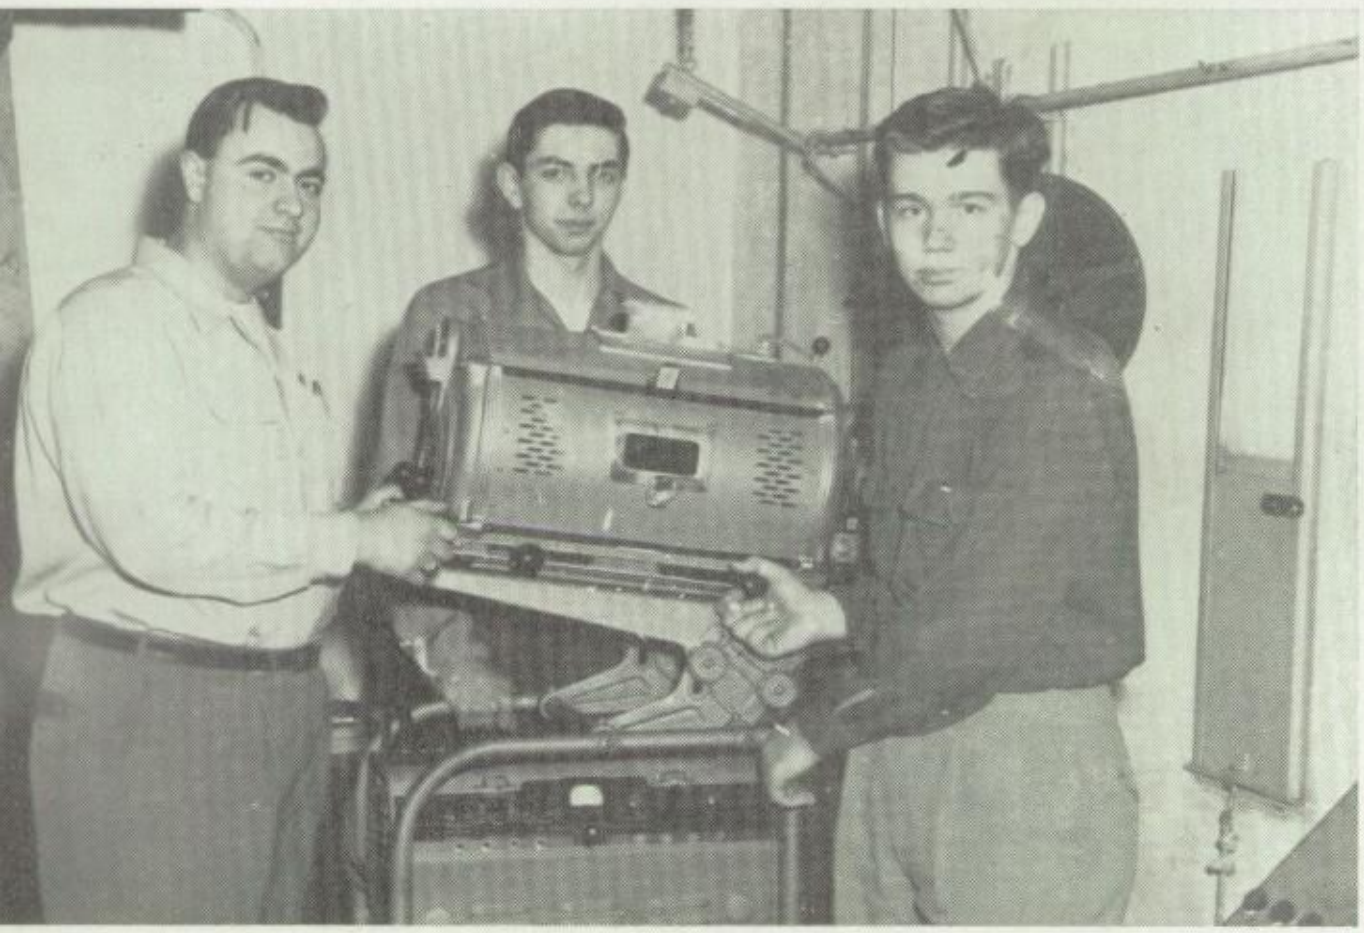
Mr. Shaw

This club is under the sponsorship of Mr. Raymond Shaw, and was organized to give stamp collectors a centralized meeting place to discuss and exchange their ideas on the hobby. Collectors gain experience through arranging displays, exchanging and auctioning stamps, and hearing lectures. Stamp catalogues, magazines and newspapers are available to keep the collectors up to date on current events relating to their hobby. The club is informal and urges free interchange of hobby ideas and information among members.

POLISH CLUB

Miss Phillipikowski

Every Thursday Room 203 is buzzing with the activities of the Polish Club, organized to teach the students of Pulaski about the customs, background, and language of the Polish people. The members sing typical Polish songs, have guest speakers, panel discussions, and plays. Social programs have also been planned.



LIGHT CREW

Mr. Franks

The light crew consists of boys from the stage crew who operate Pulaski's new lighting equipment at school functions. This year the light crew handled the effects for the water ballet program, Symphony and Jazz. They also took charge of the lighting for the Junior Prom. This group is under the leadership and direction of Mr. Barnett Franks.

STAGE CREW

Mr. Schmidt

Heading the list of the many unsung heroes about Pulaski, we find the boys under the direction of Mr. Leonard Schmidt, known as the Stage Crew. Always on the job, the "backstage boys" take part in such things as noon hour movies, s p r i n g concerts, class plays, and the special auditorium programs which are familiar to us all. Although their work is done silently and unnoticed, our programs would not be a success.

SPANISH CLUB

Miss Flynn

Pulaski's Spanish Club is under the able leadership of Miss Annette Flynn. The activities of the club range from art and music to dancing, all with the use of the Spanish language. Near the Christmas holidays, the students sing carols and enjoy the colorful "Pinata." In spring, the parents of the members of the club are invited to learn of the customs of Spain and Mexico and hear the students sing Spanish songs. Although participating in the club is fun in itself, of even greater importance is the knowledge which one gains for future use.

DARKROOM

Mr. Graves

These boys are under the able leadership of Mr. Ralph Graves. They develop and process all the pictures for the annual and newspaper staffs. The boys spend their spare time working on the processing of pictures. The good work they do results in high quality photographs.

SQUARE DANCE

Mr. Winkler

The Square Dance club gives students a chance to improve their dancing techniques and also to make new friends. Because square dancing is becoming very popular, this club provides more time to practice and to learn new dances. The snappy "Texas Star" is one of the square dances performed in the club.

Blue Mask

Row 7: L. Sleeth, J. Reesman, L. Hundley, D. Kaun, M. Szukalski. *Row 6:* D. Mayer, K. Kresse, R. Derse, S. Czarbecki, Y. Molenda, K Schmidt, J. Szolwinski, B. Tandechi, P. Pares, J. Millen, J. Fularczyk, M. Schmidt. *Row 4:* B. Nieritz, P. Hammond, L. Primeau. *Row 3:* P. Swendowski, N. Springborn, J. Stasiak, A. Ahner, Y. Baranczyk, M. Springsteen, G. Dybul, J. Dettlaff, C. Kozminski. *Row 2:* H. Bussian, C. McLaughlin, P. Loewus, M. Lange, B. Nelson, E. Rydzewski, G. Weber, R. Grasch. *Row 1:* D. Skrobel, J. Weinstock, P. Worley, J. Washkoviak, N. Kossow, C. Hansen.

The chief purpose of the Blue Mask Club, sponsored by Mr. Franks, is to study and appreciate drama. The club offers students in school a chance to participate and gain experience in acting. Each person may participate in the section that interests him most. Students learn about proper stage entrance, walking and sitting on stage, and the correct volume with which to speak. Some students used their ability by writing and producing an original Thanksgiving play. The task of makeup was handled by Miss Cutnaw. Much credit should be given to Miss Hogan and Miss Awe, who contributed greatly and conscientiously worked with Mr. Franks.

ACKNOWLEDGMENTS

Printing by Sells Printing, direction of Mr. Krebs; covers by the North American Press, direction of Charles L. Firnhaber; binding by Boehm Bindery; engraving by the Premier Engraving Co., direction of Roy Stouthamer; several photographs were contributed by the Milwaukee Journal and the Milwaukee Sentinel; Collins Studio, assisted by Mr. James Stark and James Gelhaar, furnished the pictures of the graduates, the candids and the group pictures; Mr. Ralph Graves, faculty chairman, and Allen Swartz, staff photographer, also assisted with the school pictures; Don Gajdosz, dark room technician, was in charge of the developing and printing; Miss Ruth Lassen sponsored the art work assisted by Cynthia Lemanski and Gail Okray; dedication by Donald Francke; scenic pictures by Alvin E. Rutenbeck.

ALL ABOUT

Senior Talent Show

The talented students of Pulaski High School climbed a "Stairway to the Stars" on May 21 and 22. The mood of the program was set with the theme song "Stairway to the Stars." While a couple danced, a chorus of voices from the A Cappella Choir, and the dance band under the direction of Mr. Melvin Hillier, provided the background music. The chorus left the stage to watch the review from their tables in the orchestra pit and the show began.

A saxaphone solo started the show with a lively beat. The dance band kept the pace with a number assisted by a soloist. The "Bell Bottom Blues," a girls' soft shoe dance line followed. Next, "Wild Nell of the Plains" galloped into view. This was a pantomime satire on Western movies. The hero, Handsome Harry falls in love with the English heiress Lady Vere de Vere. Wild Nell, although suffering from a broken heart, sees her duty and rescues Lady Vere de Vere from a tribe of wild Indians and reunites the lovers. A quartette of boys who call hemselves "Three Tees and a Putt" made some close harmony. A style show of fashions from colonial times up to the present followed. The dance band accompanied each scene with an appropriate number. The fiery "Jungle Fantasy" was danced by a soloist supported by members of the Modern Dance. Then the "Italian Street Song" was sung along with a duet "Indian Love Call." The first half of the program ended with the "Swan Lake Ballet", a comical interpretation of the classic.

The second portion began with a sparkling production number, "Shine on Harvest Moon." It included a boys' hula line, a tap dance, and singing by the chorus. The magic of the night was captured by a pair of talented magicians, and then by a graceful toe dance. A skit, "If Girls Asked Boys for Dates" answered an age old wonder in a comical way. The usual dating situation was switched about. The usual problems of a girl seemed quite out of the ordinary when experienced by the fellows. An intricate acrobatic dance was followed by a ballroom dance to the strains of "Dancing in the Dark." A high speed roller skating act was performed for the appreciative audience. The Modern Dance did an interpretive dance, while a soloist sang the haunting "Stranger In Paradise." The chorus and dance band joined the dancers in the finale as the song "Stairway to the Stars" recalled to us the theme of the program. This was indeed an excellent opportunity for Pulaski High School's talented starlets to prove they were ready and able to climb that Stairway to the Stars.
